Clark County Waste Reduction Resources and Information

proud past, promising future

CLARK COUNTY
WASHINGTON

A cooperative effort of Clark County, Vancouver, Camas,
Washougal, Battle Ground, Ridgefield, Yacolt and La Center,
with funding from the Washington Department of Ecology.

good for
FISH
good for **US**

THE CITY OF
VANCOUVER

Recycled

Recyclable

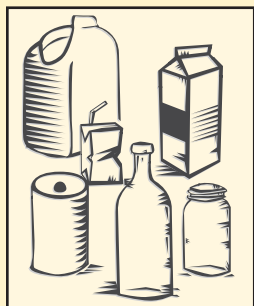

Printed on 100% recycled paper containing 30% post consumer waste. Acid free.

YOU

CAN MAKE A DIFFERENCE!

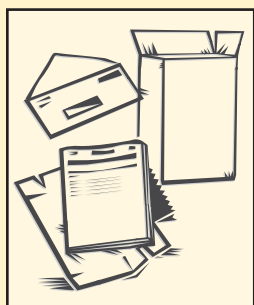

How to sort your recyclables

CONTAINERS

- **Plastic Bottles** with the *neck smaller than the base*. Rinse; throw away the lids.
- **Glass Bottles and Jars** Rinse; throw away or recycle the metal lids.
- **Tin Cans including Empty Aerosol Cans** Rinse; remove and recycle paper labels.
- **Aluminum** Rinse; do not crush completely.
- **Milk Cartons and Juice Boxes** Rinse and flatten.

MIXED PAPER

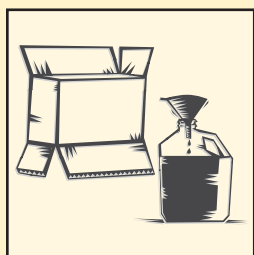

- **Junk Mail** Envelope windows are OK.
- **Magazines** Remove, discard plastic wrap.
- **Phone Books** Please keep dry.
- **Paper Bags** Clean and dry bags only.
- **Cereal Boxes, Shoe Boxes and Other Clean Paper**
- **Shredded Paper** Place in paper bag and place in your MIXED PAPER bin.

NEWSPAPER

- **Newspapers** with advertisements OK. Leave loose, don't bundle or tie.
- NEWSPAPERS ONLY in the NEWSPAPER bin, please.**

OTHER MATERIALS

PLACE THESE ITEMS BESIDE BINS:

- **Corrugated Cardboard** Flatten and fold, or cut down to 3x3 feet.
- **Used Motor Oil, Antifreeze** Place in one gallon plastic milk jug with a tight fitting lid.
- **Scrap Metal** No larger than 24" in any direction and less than 35 pounds. Remove any attached wood, plastic or rubber.
- **Household Batteries** Place in sealable plastic bag.

Helpful Hints..

- **STACK YOUR BINS** with NEWSPAPER bin on the bottom, MIXED PAPER in the middle, and CONTAINERS on top (keeps paper from blowing away). Place other items beside your bin and anchor cardboard so it doesn't blow away.
- **PLACE YOUR BINS** within 5 feet of the curb or road edge by 6:30 am on the day of collection. Recycling collection will take place on the same day as garbage collection.

Educational & Local Government Resources

Information and Referral Services

Environmental Information Cooperative(360) 546-9510
(cooperative sponsorship from various local agencies)
Provides information to the public about recycling, composting, hazardous wastes, air and water quality and energy resources.
Conducts trainings for teachers and provides classroom presentations.

Master Composter/Recycler Program(360) 397-6060
(WSU Cooperative Extension) Trains community volunteers to provide information about composting and recycling. Schedules and conducts free home composting workshops for the public. Provides classroom presentations on varied topics such as worm composting. Maintains two home composting demonstration

sites available for public touring during daylight hours:

1. CASEE Center, 11104 NE 149th St., Brush Prairie
2. H & H Wood Recycling, 8401 NE 117th Ave., Vancouver

Washington Department of Ecology1-800-RECYCLE
24-hour hazardous waste spill reporting line.....(360) 407-6300
Provides information and referral about solid waste, recycling and hazardous wastes. Regulates hazardous waste generators throughout the state.

Recycling Information Center(503) 234-3000
(Metro, Portland, OR) Provides information about how to recycle throughout the greater metropolitan area. A good resource for finding out about where to take hard-to-recycle materials if you don't mind driving across the Columbia.

Local, Regional & State Government Programs

Clark County Public Works Department(360) 397-6118, ext. 4352
Coordinates solid waste management throughout Clark County. Administers curbside recycling and yard debris collection services in the county. Provides information and referral about waste prevention, recycling and disposal opportunities, and household hazardous waste.

Cities of Battle Ground and La Center, and town of Yacolt:
(see Clark County listing)

City of Camas Public Works Department.....(360) 834-3451
Provides garbage collection service for residences within the City of Camas. Administers garbage and recycling collection contracts within the City of Camas.

City of Ridgefield City Manager.....(360) 887-3557
Administers garbage and recycling collection contracts within the City of Ridgefield.

City of Vancouver Solid Waste Services.....(360) 696-8186
Administers garbage and recycling collection contracts within the City of Vancouver. Provides information and referral about waste prevention, recycling and disposal opportunities.

City of Washougal Public Works Department(360) 835-8501
Administers garbage and recycling collection contracts within the City of Washougal.

Clark County Health Department.....(360) 397-8428
Provides information and referral regarding proper handling and disposal of medical wastes. Enforces state regulations related to illegal dumping, permits solid waste handling facilities and disposal facilities.

Southwest Clean Air Agency(360) 574-3058
Enforces outdoor air quality standards and regulations. Provides clarification about burn ban boundaries.

Washington Utilities and Transportation Commission1-800-562-6150
Establishes garbage collection rates and handles garbage service complaints in the unincorporated areas of the county as well as in Battle Ground, La Center and Yacolt.

CALL BEFORE YOU DRIVE!

The information throughout this Directory was compiled in March 2004 from information provided by each agency or business. Although local government staff have attempted to include as many Clark County recycling listings as possible, these resources should not be viewed as a comprehensive list. Due to space limitations, most businesses located outside of Clark County have not been included. Prices and materials accepted are as of March 2004, yet should be verified with each company prior to delivery of materials.
